

§ 92.354

for the purpose of evading the obligation to provide relocation assistance. The effective date of any termination or refusal to renew must be preceded by at least 30 days advance written notice to the tenant specifying the grounds for the action.

(B) The person moved into the property after the submission of the application but, before signing a lease and commencing occupancy, was provided written notice of the project, its possible impact on the person (e.g., the person may be displaced, temporarily relocated, incur a rent increase), and the fact that the person would not qualify as a “displaced person” (or for any assistance under this section) as a result of the project;

(C) The person is ineligible under 49 CFR 24.2(g)(2); or

(D) HUD determines that the person was not displaced as a direct result of acquisition, rehabilitation, or demolition for the project.

(iii) The jurisdiction may, at any time, ask HUD to determine whether a displacement is or would be covered by this rule.

(3) *Initiation of negotiations.* For purposes of determining the formula for computing replacement housing assistance to be provided under paragraph (c) of this section to a tenant displaced from a dwelling as a direct result of private-owner rehabilitation, demolition or acquisition of the real property, the term *initiation of negotiations* means the execution of the agreement covering the acquisition, rehabilitation, or demolition.

(d) *Optional relocation assistance.* The participating jurisdiction may provide relocation payments and other relocation assistance to families, individuals, businesses, nonprofit organizations, and farms displaced by a project assisted with HOME funds where the displacement is not subject to paragraph (c) of this section. The jurisdiction may also provide relocation assistance to persons covered under paragraph (c) of this section beyond that required. For any such assistance that is not required by State or local law, the jurisdiction must adopt a written policy available to the public that describes the optional relocation assistance that it has elected to furnish and provides

24 CFR Subtitle A (4–1–09 Edition)

for equal relocation assistance within each class of displaced persons.

(e) *Residential antidisplacement and relocation assistance plan.* The participating jurisdiction shall comply with the requirements of 24 CFR part 42, subpart C.

(f) *Real property acquisition requirements.* The acquisition of real property for a project is subject to the URA and the requirements of 49 CFR part 24, subpart B.

(g) *Appeals.* A person who disagrees with the participating jurisdiction’s determination concerning whether the person qualifies as a displaced person, or the amount of relocation assistance for which the person may be eligible, may file a written appeal of that determination with the jurisdiction. A low-income person who is dissatisfied with the jurisdiction’s determination on his or her appeal may submit a written request for review of that determination to the HUD Field Office.

§ 92.354 Labor.

(a) *General.* (1) Every contract for the construction (rehabilitation or new construction) of housing that includes 12 or more units assisted with HOME funds must contain a provision requiring the payment of not less than the wages prevailing in the locality, as predetermined by the Secretary of Labor pursuant to the Davis-Bacon Act (40 U.S.C. 276a–276a-5), to all laborers and mechanics employed in the development of any part of the housing. Such contracts must also be subject to the overtime provisions, as applicable, of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327–332).

(2) The contract for construction must contain these wage provisions if HOME funds are used for any project costs in § 92.206, including construction or nonconstruction costs, of housing with 12 or more HOME-assisted units. When HOME funds are only used to assist homebuyers to acquire single-family housing, and not for any other project costs, the wage provisions apply to the construction of the housing if there is a written agreement with the owner or developer of the

housing that HOME funds will be used to assist homebuyers to buy the housing and the construction contract covers 12 or more housing units to be purchased with HOME assistance. The wage provisions apply to any construction contract that includes a total of 12 or more HOME-assisted units, whether one or more than one project is covered by the construction contract. Once they are determined to be applicable, the wage provisions must be contained in the construction contract so as to cover all laborers and mechanics employed in the development of the entire project, including portions other than the assisted units. Arranging multiple construction contracts within a single project for the purpose of avoiding the wage provisions is not permitted.

(3) Participating jurisdictions, contractors, subcontractors, and other participants must comply with regulations issued under these acts and with other Federal laws and regulations pertaining to labor standards and HUD Handbook 1344.1 (Federal Labor Standards Compliance in Housing and Community Development Programs), as applicable. Participating jurisdictions must require certification as to compliance with the provisions of this section before making any payment under such contract.

(b) *Volunteers.* The prevailing wage provisions of paragraph (a) of this section do not apply to an individual who receives no compensation or is paid expenses, reasonable benefits, or a nominal fee to perform the services for which the individual volunteered and who is not otherwise employed at any time in the construction work. See 24 CFR part 70.

(c) *Sweat equity.* The prevailing wage provisions of paragraph (a) of this section do not apply to members of an eligible family who provide labor in exchange for acquisition of a property for homeownership or provide labor in lieu of, or as a supplement to, rent payments.

§ 92.355 Lead-based paint.

Housing assisted with HOME funds is subject to the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821–4846), the Residential Lead-Based Paint Hazard Reduction Act of 1992 (42 U.S.C.

4851–4856), and implementing regulations at part 35, subparts A, B, J, K, M and R of this title.

[64 FR 50224, Sept. 15, 1999]

§ 92.356 Conflict of interest.

(a) *Applicability.* In the procurement of property and services by participating jurisdictions, State recipients, and subrecipients, the conflict of interest provisions in 24 CFR 85.36 and 24 CFR 84.42, respectively, apply. In all cases not governed by 24 CFR 85.36 and 24 CFR 84.42, the provisions of this section apply.

(b) *Conflicts prohibited.* No persons described in paragraph (c) of this section who exercise or have exercised any functions or responsibilities with respect to activities assisted with HOME funds or who are in a position to participate in a decisionmaking process or gain inside information with regard to these activities, may obtain a financial interest or benefit from a HOME-assisted activity, or have an interest in any contract, subcontract or agreement with respect thereto, or the proceeds thereunder, either for themselves or those with whom they have family or business ties, during their tenure or for one year thereafter.

(c) *Persons covered.* The conflict of interest provisions of paragraph (b) of this section apply to any person who is an employee, agent, consultant, officer, or elected official or appointed official of the participating jurisdiction, State recipient, or subrecipient which are receiving HOME funds.

(d) *Exceptions: Threshold requirements.* Upon the written request of the participating jurisdiction, HUD may grant an exception to the provisions of paragraph (b) of this section on a case-by-case basis when it determines that the exception will serve to further the purposes of the HOME Investment Partnerships Program and the effective and efficient administration of the participating jurisdiction's program or project. An exception may be considered only after the participating jurisdiction has provided the following:

(1) A disclosure of the nature of the conflict, accompanied by an assurance that there has been public disclosure of the conflict and a description of how the public disclosure was made; and
